

Survey Bid Proposals Under Study By Council

Citizens' Sewer Group Fears Possible Loss Of Some Federal Funds

Granite City council members, who have available to the city a \$120,000 federal grant for design of a master sewer and drainage program to serve the city for the next 20 years, are now studying a \$97,800 engineering proposal obtained Monday by Alderman Frank Vesel from a firm not selected by the Citizens' Committee and the council.

Vesel, who is chairman of the council's special sewer committee, said he was not satisfied with the contract submitted by the local firm of Sheppard, Morgan & Schwab and had obtained proposals from three other engineering firms. The local firm had told the council and citizen committee members the job possibly could be done for \$80,000 to \$90,000, but Vesel advised to submit a contract calling for the \$120,000 maximum to make certain the full amount would be available should it be needed.

The Citizens' Committee members and Mayor Davis are expressing concern that acceptance of the \$97,800 bid by the firm of Horner & Shifrin would result in a loss of \$22,200 of the federal grant, which the city might need in carrying out surveys and preparation of preliminary plans for the proposed project. The federal grant is to be repaid by the city in the form of interest on the project.

Protests to Vesel's presentation were made by Alderman Mrs. Gabrielle Betine, who was supported by Mayor Davis. Both pointed out that to accept a proposal from another engineering firm would undo a year's work by the citizen group.

Figures Had Been Refused. The mayor said the Citizens' Committee had been refused figures by five engineering firms, including Horner & Shifrin. He pointed out it would take a two-thirds vote of the council to reject the action of the committee. When authorization was given, the council's Sewer Committee to negotiate a contract with Sheppard, Morgan & Schwab, it was on the Citizens' Committee recommendation.

Mrs. Betine said the Citizens' Committee had selected a qualified engineering firm which he believed would give the city the best job, since it was local and was familiar with the local conditions. "You're taking two steps back instead of going forward," she told Vesel.

The mayor added that he also favored the Citizens' Committee recommendation and would call upon its members to be present at next Monday's council session to express their views.

G. W. Hoelscher, chairman of the citizen group, told the Press-Record he was unaware that contract proposals were being sought from other engineering firms until Monday afternoon when he and the citizen committee's engineer, Donald Cairns, met with Vesel and the alderman presented proposals from four of the five firms with which the group had been conferring.

Hoelscher said differences in the proposals were pointed out between the end of the meeting at 3:30 p.m. and the start of another session at 6 p.m. Vesel obtained revisions from the firms.

American Steel Foreman Injured Fatally At Work

An American Steel Foundries foreman, father of 10 children, was dead on arrival at St. Elizabeth Hospital at 8:15 a.m. Tuesday after being struck on the head by a one-ton sand bucket at the plant.

Walter R. Hausman, 55, of Dorsey, Ill., was inspecting the flow of sand in a hopper near a coremaker bench when the bucket which transports sand to the individual benches struck him on the head, according to a company spokesman. The bucket runs on a monorail and the operator apparently failed to see Hausman, who worked in the core department.

Hausman was standing on a core blower near the hopper when the accident occurred. The company spokesman said that often sand in the hoppers gets clogged because of moisture and loosened by grinding with a stick. The inspection is usually done from the monorail platform.

The company will conduct an investigation and Deputy Coroner Henry Pieper will schedule an inquest. Death was apparently caused by a skull fracture, Hausman, who was born and raised in Chicago, had worked for American Steel 32 years and was never involved in an accident before, the spokesman said.

He is survived by his wife, Mrs. Richard Heimkamp of Springfield, and 11 grandchildren. Services will be held in an Episcopal home at 2 p.m. Friday with interment in Oakwood Cemetery there.

Fire Last Night Disrupts Phones

Fire which reached a cable in the alley at 504 State street at 8:55 p.m. Wednesday disrupted service to 266 telephones in nearby areas of Madison and Venice. About 10 minutes after the fire broke out, the cable was returned to service by late this morning, and all are expected to be in use by tonight.

The cable was damaged by flames from an unused shed destroyed by fire. An adjacent shed was scorched by the blaze which was fought by Madison firemen. Since the dilapidated structure at 504 State was scheduled to be razed, no loss estimate was made.

Among the phone lines out of service were those of the Owens-Illinois Container Corp. Work under way today by telephone crews included splicing a new section of cable into the line running between State street and Grand avenue.

Madison firemen were called to the scene at 8:25 p.m. Tuesday to the fire which broke out in a high wooden fence surrounding the property had caught fire. A census taker burned.

Census Questionnaires Going Out This Week

Families in the Quad-Cities are receiving federal census questionnaires in the mail this week. The door-to-door visits by a crew of census enumerators is to start April 1.

The local post offices are in the process of sending out forms to 19,773 families in the area, and the completed forms are to be picked up by the census workers when they make their rounds.

Vesel already has received their forms, a Venice postal worker said, and the delivery of 15,000 questionnaires from the Granite City post office started yesterday. The delivery of 3,773 forms in Madison also being started. All questionnaires are to be delivered by Saturday.

Damage To Area Streets And Roads Totals Nearly \$35,000

Damage to Quad-City area streets and roads, resulting from frequent freezes and thaws during a lengthy period of ice and snow was estimated at nearly \$35,000 by local street superintendents and the Nameoki township commissioner for Madison township, has set damage to roads to nearly \$8,000. At least several thousand dollars damage was reported by Madison Street Superintendent Stanley Lucas, and in Venice, Street Supt. Fred Griffin estimated the damage at \$10,000.

Warfield said most of the damage in Granite City was to unimproved streets which will require considerable reworking outside the frost and moisture zone. He added that many of the city's improved streets also developed holes, severe cracks and flaking as a result of the changing temperatures.

Lucas said about 35% of the streets in Madison were damaged but the extent was not severe. He began patching the streets on Tuesday with a three-man crew and said about 50 tons of cold mix patching material should do the job.

Damage in Venice was extensive, Griffin said, but most paved streets, other than Broadway, are in fairly good condition. He said numerous holes have developed in non-concrete streets.

With the current drainage and resurfacing work on Broadway the single traffic lanes still open have received heavy use, resulting in many uneven and broken areas. Griffin said 30 tons of hot mix material have been used to patch streets throughout the city.

In the unimproved township, Commissioner Hanks said limited funds will restrict the amount of repairs to be undertaken until the township's regular summer road maintenance program is under way. "We're filling as many holes as we can with funds and manpower available," Hanks said.

Young Mother Stricken With Spinal Meningitis

A young Granite City mother,
Mrs. Norma Fenoglio, 27, of 2524
Circle drive, is in serious condi-
tion at Barnes Hospital, St.
Louis, with spinal meningitis.
She was on the critical list for
three days after her condition
was diagnosed by the family physician
last Friday.

Mrs. Fenoglio is the second
spinal meningitis sufferer re-
ported in the area. The other, eight-
year-old Charles Dittreich of
Mr. and Mrs. Charles Dittreich,
1803 Bremen avenue, returned
home last Monday from a St.
Louis hospital after being a pa-
tient for 10 days. The little
second grader, who was stricken
March 11, suffered no complica-
tions.

Mrs. Fenoglio, whose husband,
Tony, is a Nickel Plate Railroad
section foreman, works as a ma-
chine operator for a St. Louis
dress firm and first complained
of being ill about three weeks
ago. Her 10-year-old son,
Charles, is living with her
parents, Mr. and Mrs. Paul Scott,
2708 Denver street.

COMMUNITY CONCERT MEMBERSHIP DRIVE, being conducted this week, discussed at the head table of the campaign kick-off banquet Monday night at St. Peter Evangelical and Reformed Church. Left to right, Mrs. Margaret Warwick, representative of the National Council Association; Dr. Harold Koiser, superintendent of Granite City schools and the banquet's principal speaker; and Robert Den Todofor, local association president.

Hire Secretary, Custodian In Madison District

The Madison school board
Tuesday night accepted resigna-
tions of a custodian and the sec-
retary to the superintendent, and
hired replacements at the same
meeting.

Resignations of Curry Berry as
custodian at the Dunbar school
and Mrs. Dolores Brunica as sec-
retary were accepted. The board
employed Will Banks to replace
Berry, effective with the be-
ginning of the 1960-61 school
year in September. Miss Loma
Lassen was employed as new
secretary to the superintendent,
effective April 15.

Berry retired from the Dun-
bar position on March 1, and
Mrs. Brunica's resignation be-
comes effective April 15.

The board also appointed Miss
Margaret Carlin, Joe Thomas
and Mrs. Lenna Williams to
serve as judges in Precinct One
for the annual school election on
April 9, and Mrs. Ada Lum Wal-
ton as an election judge in Pre-
cinct Two. Two additional judges
in Precinct Two are to be se-
lected at a later date.

The board also reported that bids
on educational, athletic, library
and scientific department sup-
plies have been received and are
being studied in its office.

Board members also examined
classroom furniture samples
shown by representatives of two
school supply firms. The board
plans to purchase some new fur-
nishings for the new Blair and
Harris grade schools, but also
will make use of some desks and
chairs from the school buildings
to be razed.

Gasparovic To Return From Hospital Soon

Granite City Police Magis-
trate Andrew Gasparovic Jr.,
who was hospitalized March 10
for a virus ailment, is in good
condition today and may be re-
leased early next week, a mem-
ber of his family said today.

Gasparovic will probably re-
turn to work as soon as he is
released from the hospital.

It's the turnover that costs the
motorist—not the upkeep.

Horseshoe Lake Funds To Be Released

Release of \$400,000 for land
acquisition for the proposed state
park and game refuge at Horse-
shoe Lake here can be expected
this spring, it was learned Tues-
day from Henry D. Karandjeff,
chairman of the Horseshoe Lake
Study Commission.

Karandjeff said he and other
members of the commission con-

ferred with Gov. Stratton, dur-
ing the governor's tour of Mad-
ison county Tuesday and that the
governor said the appropriation,
which was frozen after the last
session of the legislature, would
be made available for land pur-
chase "before spring" is out.
Original plans call for the pur-

24 Area Taverns Still Owe \$300 County Fee For 1960

Warnings will be issued to 51 Madison county taverns, including 24 in the Quad-City area, to pay their \$300 county liquor license fee for the 1960 calendar year.

No exact deadline has been set, but the unincorporated area establishments are expected to be advised to obtain their licenses by mid-April, it was learned this week.

Now that the weather has improved and most roads are free of snow and ice, members of the liquor license committee of the county board of supervisors plan to visit the delinquent taverns and notify them to pay the license fee. The action is being taken later than usual this year due to the weather.

While it is believed that most of the 51 delinquent establishments have been operating, it has been a common practice to allow them several months beyond the start of the year. "We have never lost a dime," by waiting until the spring, County Recorder James F. Chapman told the Press-Record this week.

\$25,500 Unpaid
The 51 taverns represent 37% of the 136 total. The other 85 taverns in unincorporated sections have obtained the \$300 permits for this year. Thus, \$25,500 has been paid and \$15,500 remains uncanceled.

The decision to take action on the delinquent fees was made during a conference between County Liquor Commissioner Gus Haller and members of the liquor license committee.

Those taverns failing to meet the deadline to be announced will be the subject of proceedings intended to force closing the committee has reported.

Besides the 24 in this area, the 51 delinquent taverns include 10 in the Altoona River region, nine in the Collinsville area and seven in areas surrounding Edwardsville, records in Chapman's office show.

Local Taverns On List
Quad-City area taverns listed Tuesday as having not 1960 license are as follows: Robert O'Brien, Bob's Curve Inn, 26th and Missouri avenue; Joseph George, Jr., Lakeside Inn, Rural Route One; Irma Jones, Luna Cafe, Mitchell.

\$1281 Additional Cost For Stoplight Project

Due to additional costs of erecting traffic lights at two Madison avenue intersections last fall, the city council, at its meeting Tuesday night, approved a request to use more motor fuel tax funds to meet the costs.

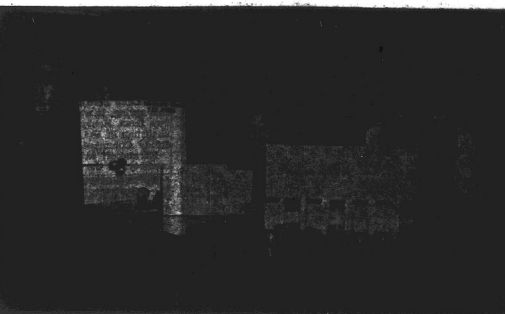

The request, to be sent to the Illinois Department of Public Works and Buildings, Division of Highways, was for \$1281 to cover expenses not figured in the original cost estimate of \$18,000. The state had sent \$15,000, and an additional \$2281 is needed. The request includes \$1629 for construction, \$625 engineering and \$28 advertising costs. The lights are at Third and Twelfth streets.

At the Tuesday meeting, the council also passed a resolution praising the street department for its work in clearing the streets of ice and snow. "I think our department did as good a job as other nearby cities, and the workers who put in such long hours deserve credit," Mayor Stephen Masera said.

With 604 improvements and widening of State street, two fire plugs at Second and Third streets, and widening of State street, the council authorized the city clerk to write the water company requesting that the two be replaced by two modern "steamer type" plugs. One of the advantages of the new hydrants, Street Supt. Stanley Lucas said, is that they have automatic shut-off.

The council also heard a letter from the East St. Louis city council thanking Madison for its resolution praising the "All America City" award. Bill totaling \$14,919 were approved, along with \$10,904 bridge bills, including \$6886 for bridge employees' salaries.

Funeral services were held in Sacred Heart Church in Effingham Wednesday morning with interment there.

GCMS Girl Hurt In PE Class On Tuesday

A Granite City high school sophomore was admitted to St. Elizabeth Hospital Tuesday morning when she hurt her back in a physical education class accident at school.

Miss Alvada Howard, 16, daughter of Mr. and Mrs. Manuel Howard, 2205 Nevada street, apparently pulled several muscles in her back when she fell while jumping on a rebound mat. According to Mrs. Howard, the doctor told her there were no broken bones but that Alvada must stay in the hospital for several days for observation.

In other cases handled by the hospital early this week, Leroy Haxton, 15, of Mitchell, was bitten on his right arm by a raccoon. The wound was cleaned and he was released. Mrs. Maxine Adams, 24, of 4736 Warnock avenue, spilled hot grease on her right hand and suffered first degree burns. A dressing was applied.

Robin Dale Knuckles, 3, of 1546 Severn street, had dressings applied to bruises and abrasions over his right eye suffered when he fell out of a car and Tony Johnson, one-year-old son of Mr. and Mrs. Alfred Johnson, 2913 Dale avenue, received three sutures to close a laceration on his head suffered when he pulled over a radio.

John R. Schaible, 50, Dies Suddenly At Home

A Granite City man who had visited his physician on Tuesday died suddenly Wednesday morning of an apparent heart attack as he was watching a television program at home. He was John R. "Birdie" Schaible, 50, of 3006 Terrace lane, who had suffered a heart attack last year and was under a doctor's care. He had made a routine visit to the St. Louis doctor on Tuesday.

Mr. Schaible, a bricklayer at Granite City Steel Co., had returned home from work only a short time before his death. He had worked the midnight to 8 a.m. shift, and it was about 10:30 a.m. when he was stricken, while seated in the living room of his home. His wife, Mrs. Mildred Schaible, summoned aid and the fire department inhaled and was dispatched to the home. Mr. Schaible was dead on arrival at St. Elizabeth Hospital. An inquiry is to be scheduled by Deputy Coroner Henry Pieper.

A native of Kennet Mo., Mr. Schaible was a local resident for 25 years. He was a member of Bricklayers Local 65 and attended Sacred Heart Catholic Church.

Other survivors include a son, Robert M. Wilson of Granite City, and his mother, Mrs. Helen Schaible, also of Granite City.

Funeral arrangements are given elsewhere in today's issue.

Work Resumed On Pontoon Beach Water Lines

Construction of water lines for the Pontoon Beach Public Water District was resumed Tuesday after being halted by the weather since mid-February, and testing of one section of the line is to be undertaken this week. It was learned from Andy Bukovac, chairman of the district's board of trustees.

The testing of the line along Pontoon road from the city limits of Granite City to Long Lake will take several days, Bukovac explained, since the state board of health requires samples taken after water has been in the pipes for a minimum of three days.

Bukovac said he is hopeful that tests of other lines already installed also will be carried out immediately to prepare for opening of service lines to homes and businesses where meters are installed. "We can then start the water system in operation," he said.

No word has been received from the National Labor & Relations Board concerning a dispute between Teamsters Local 525 and the project contractor, A. E. Weibel & Co. of Belleville.

The matter was heard before NLRB examiners in St. Louis and a trial on picketing was reached pending a decision.

150 feet away in his stocking feet and told Eugene H. Brink to "Call an ambulance, I've shot my father." Mrs. Brink said she answered the door and she admitted the boy, who no longer had a revolver in his back pocket. She left the boy to awaken her husband, who is a custodian and had been home only a short time.

The Brinks have no telephone, and Brink, a tenant of the Flahers, had to enter the Flaher home to summon aid. The boy remained in the Brink's kitchen with Mrs. Brink to await the arrival of authorities. Mrs. Brink said he put the revolver on the stove.

1 1/2 Hour Questioning
With the arrival of the deputies, an ambulance and the deputy coroner, the boy was returned to his home for questioning. During the 1 1/2-hour investigation at the scene, where the deputies were joined by Assistant State's Atty. Burton Bernard of Granite City, the body of the father remained on the floor.

During the investigation, the youth led authorities to a shed a short distance from the house where he pulled down from the rafters an old trunk that contained about 35 cartons of cigarettes. The deputies are investigating the boy's contention that the cigarettes had been stolen. Evidence pertaining to the cigarettes also was presented to the grand jury yesterday, along with testimony on the shooting by six persons.

An inquest is pending, to be conducted by Pieper.

Funeral services for the victim were held this afternoon at the McKinnon, Tenn., Methodist Church with burial at Fisher Cemetery in Stewart county, Tenn.

The elder Fisher, a native of Stewart county, had lived in this area 11 years, and was a member of Teamsters Local 525. Survivors include his wife, Bertha; three daughters, Mrs. Anita Stoyanoff of Granite City, Mrs. Anna Paulay of Wood River, Miss Fay Fisher of Granite City; three sons, Carl Fisher of Detroit, Mich., John Fisher,

Study More School Land At Mitchell

Addition of land to Mitchell grade school property was favorably discussed at Tuesday night's meeting of the Granite City community unit school board. It was reported that administrators have discussed acquisition of land with the owners, but that no mutually acceptable price has been reached.

More detailed planning for the Mitchell site is to be discussed after the price is established for land to be used by the state in constructing an interstate highway near the school.

school board election were submitted by the administrative staff and approved by the board. It was the final meeting before the election.

The board employed Mrs. Marian Nunn, 1704 Delmar ave. nue, as a cafeteria worker on a four-hours-a-day basis and hired Joseph Klesh of Granite City as custodian at the board and administrative office.

Mrs. Johanna Ortolan, a cafeteria employee, was granted a leave of absence for the remainder of the school year.

Acting on bids, the board purchased high school industrial art equipment totaling \$829 from McDonald Machinery Co., \$98 from Stanley Industrial Tool, \$65 from Sears-Roebuck, \$48 from Heath Co., \$34 from Walter Ashe, \$30 from Interstate and \$133 from Graham's.

The board ordered four truck tires and tubes, including installation, from O'Brien Tire and Battery at \$213 and bought a portable sander at \$73 from Rubenman-Lucas. The administration was instructed to accept a low bid of \$151 from Wood River Printing on election ballots, if specifications on paper quality are met.

Grand Guardian Visits Local Job's Daughters Bethel

Mrs. Edna Prochell, grand guardian of the International Order of Job's Daughters, paid an official visit to Bethel 43 Tuesday evening. Mrs. Lida Theis, vice-grand guardian, was also present.

The regular business meeting was conducted by Katy Merz, honored queen of the Bethel, and the following girls were initiated: Tomye Anne Green, Cathie Ann Harvey, Lana Lee Landman, Cynthia Markarian, Judith Ann White, Ann Marie Meyer, Karen Lynn Simonoff and Ellen Chapman.

There were remarks by Mrs. Prochell, Mrs. Theis, Mrs. Nell Baskette, guardian of Bethel 43; Dr. E. H. Theis, associate guardian, and Mrs. Ida Cariss, worthy high priestess-elect of Gabriel Shrine, White Shrine of Jerusalem.

The grand guardian was presented with gifts by the honored queen and Sally Hogan, junior past honored queen, and the meeting adjourned at 9:45 p.m.

Refreshments were served from tables arranged to form a large white cross and lighted with pink tapers.

Mrs. Edith Champion, president of the Mothers' Club, assisted by other members, was in charge of serving.

Episcopal Women Schedules Events

The Episcopal Women of St. Bartholomew's Church met Tuesday evening in the guild hall, following a devotional service in the church led by Mrs. Virginia Nyberg.

Mrs. Georgia Butler presided and the secretary and treasurer reports were given by Mrs. Kay Acquaviva and Mrs. Lillian Chepley.

The annual mid-level conference of Episcopal Women of the Diocese was announced for Tuesday, March 20, at St. Paul's Church in Springfield, and several members are planning to attend the all-day event. The regional meeting and luncheon of "blue" boxes will be held in Carlinville May 3. Also planned was a "blue" box luncheon at the local church April 24.

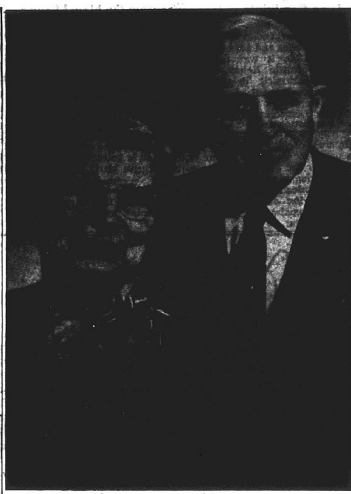

Contributions were made to missions and there was a \$25 contribution to the Altar Society for cassocks to be used by the altar boys Palm Sunday.

May 20 was announced as the date for a rummage sale to be held at the IOOF hall and after adjoining refreshments were served by Mrs. Chepley and Mrs. Acquaviva from a candlelight table centered with an arrangement of pussy willows. Fifteen members were present.

BAVVIEW III CLUB HEARS BOOK REVIEW

A review of the book "Strange Lives of One Man" by Ely Culbertson highlighted the meeting of the Bay View III Club Wednesday afternoon in the home of Mrs. James DeWitt, 1336 Lindell Blvd.

A short business session and a dessert luncheon preceded the meeting and plans were made for the next meeting in the home of Mrs. Joseph Bartylak in Collinsville. Seven attended Wednesday's meeting.

GOLDEN WEDDING. Mr. and Mrs. John Harbig, 2200 St. Clair avenue, who will celebrate their golden wedding anniversary at a reception to be held at St. John United Church of Christ on Sunday from 2 to 4:30 p.m.

John Harbig To Observe 50th Wedding Anniversary

Mr. and Mrs. John Harbig, 2200 St. Clair avenue, lifelong residents of this area, will observe their golden wedding anniversary at a reception from 2 to 4:30 o'clock Sunday afternoon in Fellowship Hall at St. John United Church of Christ, 2901 N. Main street, where they were married March 31, 1910, by Rev. Gustave Plassman. He is 74 and Mrs. Harbig is 72.

Mrs. Harbig, who was baptized and confirmed at St. John Church, is a daughter of the late Mr. and Mrs. Henry Branding.

Among the attendants at the wedding who will attend the reception will be Mrs. Arthur Roman, a sister of Mrs. Harbig; and a niece and nephew, Mrs. Roland Mueller, the former Ann Luetfer, who served as flower girl, and Lester Fehling, who was ring bearer. Henry Harbig, a brother of Mr. Harbig, who was best man, is deceased.

The couple has two daughters, Mrs. Paul (Karnyn) Edmonds and Miss Vernyle Harbig, and one granddaughter, Martha Claire Edmonds.

Following their marriage, Mr. and Mrs. Harbig started farming on the Harbig farm in the Bend area at Horseshoe Lake. In 1929 they purchased the old Wedig farm, and in 1936 moved to another farm near Granite City which is now the Glenview subdivision.

Mr. Harbig is a charter member of the Brotherhood of St. John Church where he served two terms on the church Council.

BETROTHED. Miss Janet Crnkovich, whose engagement to Ronald J. Lentz is announced. The bride-elect is a daughter of Mr. and Mrs. William Crnkovich, 1802 Market street, Madison. Mr. Lentz's parents are Mr. and Mrs. Ralph Parney, 2733 Iowa street.

Crnkovich-Lentz Betrothal

Mr. and Mrs. William Crnkovich, 1802 Market street, Madison, are announcing the engagement of their daughter, Janet, to Ronald J. Lentz, a son of Mr. and Mrs. Ralph Parney, 2733 Iowa street.

Miss Crnkovich is a graduate of the Madison high school and of Washington University with a Bachelor of Fine Arts degree. At present she is a fashion coordinator at the World Shoe Co., St. Louis.

Her fiancé was graduated from Belleville high school and attended Southern Illinois University. He is employed by the American Steel Foundries.

WCTU INSTITUTE TO BE HELD IN GRANITE CITY. Mrs. William Schooley, accompanied by Mrs. Glen Cundiff, attended a Madison county executive board meeting of the Woman's Christian Temperance Union at the home of Mrs. William Gabriel in Alton Monday afternoon.

Mrs. Robert Nease, also of Alton, state president, was a special guest, and plans were made for a spring institute to be held in Granite City in May, and for the county convention in Edwardsville in September.

Mrs. Schooley is publicity chairman of the WCTU in Madison county.

MISS JUNE FRANCES SULLIVAN, fiancée of Pfc. Noah W. Gilbreath, stationed with the 574th Engineer Company at the Engineer Depot. She is a daughter of Mr. and Mrs. Marion F. Sullivan, 700 Twenty-sixth street. Pfc. Gilbreath is a son of Mrs. J. D. Gilbreath of Alpine, Tex.

Mrs. H. L. Barnett Hostess For Class

The Twilight Class of Mt. Zion General Baptist Church met Tuesday evening in the home of Mrs. H. L. Barnett, 2310 Benton street.

Mrs. Harriet Phelps, president, was in charge and Mrs. Edith Buchanan gave a detailed report of the recent district Sunday School convention held at Mt. Zion Church.

The program for the evening consisted of a general discussion on the life of Abraham. Refreshments were served to 10 members of the group.

GARDEN CLUB PLANS GUEST DAY PARTY. An executive meeting and breakfast of the Cloverview Garden Club was held Wednesday morning in the home of Mrs. Leo Roman, 2445 Woodlawn avenue.

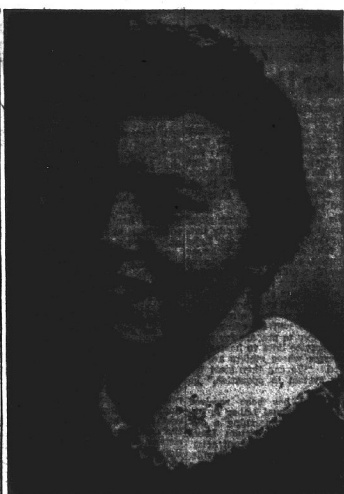

Arrangements were made for the annual guest day meeting and luncheon of the group to be held May 10 at the Rose Bowl. The speaker will be June Easton Rosanos of Edwardsville.

Mrs. William Ogden presided at the meeting. Others present were Mrs. John Wilson, Mrs. B. C. O'Neill, Mrs. John Sedlack and the hostess.

Victory Mothers Hear Reports. Victory Mothers Unit Two held a "bakeless bake sale" at a meeting Tuesday evening at the IOOF hall. Mrs. Katie Alexander presided. A guest, Mrs. Fern Samsoucie, was introduced.

Reports were given on ill members. Mrs. Anna Harrison, Mrs. Edith Rhodes, Mrs. Ida Oram and Mrs. Joe Mosas. Twenty attended, and Medames Minnie King, Merle Lindsey and Mollie Kahler served refreshments. Games were played, and each one received a gift.

TAXEST C. JUNGELS, 1924 EDISON.

Mrs. Uzzell Is Hostess For DAR. A paper on "Historic Trees in America" by Emily V. Morrow was read by Mrs. Thelma Haven at the March meeting of Deneila Andrews Chapter, Daughters of the American Revolution, Monday evening in the home of Mrs. C. A. Uzzell, 2114 State street. The assisting hostess was Mrs. John Tate.

Miss Ella Ray Smith, vice regent, who was in charge, led the group in the pledge of allegiance to the flag and after the Lord's Prayer conducted a short memorial service for a recently deceased member, Mrs. Core Cahill.

The president general's message was read by Miss Smith, and Miss Nell Carr, secretary, gave the annual report of the retiring regent, Mrs. Otto Crowder, who recently moved from the city.

Fourteen members attended the meeting and plans were made to meet in April with Mrs. Eva Meier, 2486 State street.

WCSO Board Plans Future Events. An executive board meeting of the Woman's Society of Christian Service was held Tuesday evening in the ladies' lounge of the Netherland Methodist Church office building with 15 officers and Circle leaders present.

Mrs. Corinne Hinson, president, conducted a lengthy business session during which plans were made for a bazaar in the fall and for the annual May 6 community-wide Fellowship Day to take place this year at St. Peter Evangelical & Reformed Church. The speaker will be Clarissa Start, a St. Louis newspaper columnist.

Tentative plans were also made for future projects and improvements in various departments of the church.

Performances of 'Red Mill' At GCHS Tonight, Friday

The first of two performances of Victor Herbert's operetta "The Red Mill" will be presented at 8 o'clock tonight at the Granite City high school auditorium by members of the high school vocal music department.
The operetta will be performed a second time Friday night. Tickets were still available today at Graham's Book store and from members of the cast.

"The Red Mill" with the possible exception of "The Merry Widow," is the most popular of the 35 operettas published by Herbert. Composed in 1906, it met with immediate success, and has lost none of its charm upon being updated to a modern setting.
Vocal music department students at the high school will have all the singing parts. Musical director is Warren Simpkins, settings are by art department director Eugene Alstad and his students, an orchestral overture will be conducted by band director Louis Meek, and production director is Mrs. Susan Kieckham. Cyle Myers and Bill Evans will portray "Con Kidney" and "Kid Conner," the "flat-broke American tourists" who continually embarrass the guests at a Dutch Inn where they have been

Mrs. Lela Graham, 73, Expires Tuesday

Mrs. Lela Graham, 73, of 2112 St. Clair avenue, died at 2 p.m. Tuesday in Christian Hospital, St. Louis. She had been suffering from a heart condition for several years and was a patient in the hospital three days.
A native of Stevens, Ala., Mrs. Graham lived in Granite City 31 years. She attended the Third Baptist Church.
Surviving are three daughters, Mrs. Lee (Marie) Myers of Troy, Mrs. Omer (Frances) Nolting of Granite City, Mrs. Clarence (Dorothy) Rudd of St. Louis; four sons, Frederick, Carl and Jack Graham of Granite City and Paul Graham of Tonawanda, N. Funeral arrangements are given in today's obituary column.
beans" and "Because You're You," all sung by the daughters of the innkeeper and burgomaster, played by Carole McDonald and Linda Sperry.
A mixed chorus of 60 voices will back up the soloists as Herbert's light and lively tale unfolds, and the stage settings most complete of any of the musical presentations which are staged each spring by the high school, will include a red mill with arms that turn during the performances.

Venice GS Chorus Sings At Sacred Heart

The second in a series of concerts for students of other schools by members of the Venice grade school chorus was presented yesterday afternoon at the Sacred Heart parochial school.

Directed by Miss Alice Purdes, the 125-voice chorus opened the 45-minute program with three numbers. The selections were followed by solo and specialty numbers featuring Benjamin Hasty Billy Young, Donnie Richardson, Mary Gray, Bob Campbell, Chuckie Hornmann and Diane Spohr.

Three selections by the chorus followed. Another group of solos and specialties was then presented, with soloists including Mike Edwards, Sandra Caudron, Kathy Yearman, Joan Fickens and Bill Barritt.

The concert closed with "Now the Day is Over" by the chorus. A boys' trio and boys' quartet also performed. Accompanist for the group is Miss Shirley Goss. The chorus will perform for Venice grade and high school students at 1 p.m. next Wednesday in the Venice high school gym.

People who insist on living up to their principles usually have to be satisfied to remain poor.

Natural Food Associates Hold Meeting

The Granite City Chapter of the National Food Associates, met Monday evening at the KP Hall.

A brief report of the national convention in Los Angeles, Jan. 1 was given by Mrs. J. C. Proctor, and Ervin Wein of Edwardsville gave a report on his stay in McCreary Hospital in Excelsior Springs, Mo.

A trip is planned by chartered bus to Excelsior Springs to tour the hospital in the near future.

The annual state convention of the food associates will be held in Belleville, April 8, when speakers will be the nutritionist Miss Cathryn Elwood of Washington, D. C., and Dr. Theron G. Randolph, a well known physician specializing in the field of allergies. The meeting will be open to the public.

Marvin Dean Explains Cactus To Toastmasters

Marvin Dean won the award for the best speech of the evening at the Granite City Toastmasters meeting Monday night at Cline's restaurant.

Dean illustrated his talk on the Saguaro cactus with slides and explained the plant's growth patterns and environment. The other speaker of the evening was Dr. Leo Coleman. Charles Withers was toastmaster, Charles Young was best critic and Donald Trimmel was general evaluator.

MRS. JOHNSON IS HOSTESS FOR CLUB
Mrs. Joseph Johnson, 2121 Delmar avenue, entertained her card club Tuesday evening and included one guest, Mrs. Harry Hornberger.

Among those to whom scores were given were Mrs. Herbert Henrich, the hostess, Mrs. Mary Hoelter, Mrs. Della Hagan and Mrs. Martha Bowman.

A dessert course was served and plans were made to hold the next meeting in the home of Mrs. Frank Schwarzkopf on Lindell Blvd.

SORORITY HOLDS GET-ACQUAINTED MEETING
Epsilon Eta Chapter of Epsilon Sigma Alpha Sorority held a get-acquainted meeting last night in the home of Mr. and Mrs. Arthur Trachsel, 1608 Garfield avenue.

A pot luck supper was served to 12 members and 10 guests and there were games. The prize was won by Mrs. Jeanette Rains.

Other guests were Misses Anna Bowers, Etta Christian, Lann Winters, Norma Kester, Jane Steinhauser, and Mrs. Pat Johnson, Mrs. Roberta Arbeiter, Mrs. Gail Wallin, Mrs. Carol Squires and Mrs. Rains.

Greve To Head Nameoki PTA

Herman Greve was elected as president of the Nameoki PTA for the 1960-61 year, at a monthly meeting Tuesday evening.

Maurice Steele was elected as vice-president, Mrs. Elizabeth Edwards, secretary, and Walter Spiceland, treasurer.

Mrs. Elva Mae Spiceland, current president, presided and Boy Scout Troop 49 presented the colors and led the pledge of allegiance. The PTA Mothersinglers gave a vocal music program, directed by Owen Humphrey. It was decided to urge the city to seek a railroad guard for the West Pontoon road crossing.

Spiceland presented scout charters to Steve Alcorn of Post 46, Josiah Lane of Troop 46 and Lennie Sheppard of Pack 33. Alcorn spoke, the scouts demonstrated camping and cubs held a candlelight induction ceremony.

Mrs. Spiceland reported that the PTA has been a unit sponsor 27 years, entitling each scout to wear a silver bar on his uniform. Mrs. Vera Farrow's first grade room had the highest percentage of parents present, and refreshments were served by first grade and kindergarten room mothers.

Host To District Rebekah Officers

Venice Rebekah Lodge 570 entertained District 26 officers at a formal gathering Monday evening at the Odd Fellows hall, with the vice-grand, Mrs. Nell Montgomery, in charge.

District officers introduced were Mrs. Glynn Hilliard of Granite City, president, Mrs. Alma Faries of East St. Louis, vice-president, and Mrs. Elizabeth Morrison of the Nameoki lodge, chaplain. Past presidents introduced were Mrs. Opal Brown of Alton, Mrs. Clara Dipple of East St. Louis and Mrs. June Crumley of Granite City.

Each of the ladies was presented with a gift from the lodge. A luncheon was served by the hostesses, Mrs. Marge Purcell and Mrs. Marie Jaeger, to members and other guests.

WOMEN OF MOOSE HOLD MEETING
The Women of the Moose Chapter 247 held a meeting last night with 36 members present.

The senior regent, Mrs. Vaden Culpen, was in charge and a number of committee reports were given.

A social hour followed and prizes were won by Mrs. Margaret Fronberger, and Mrs. Birdella Meyenbauer.

The next meeting will take place April 13 with Mrs. Mary Usefomb, homemaking chairman, in charge.

MISS DELORES SLOAN, 2637 East 27th street, whose parents, Mr. and Mrs. Wilford Sloan of McLeanboro, Ill., are announcing her engagement to Hc. Donald W. Wolfe, a son of Mr. and Mrs. Howard Wolfe of Toledo, O. The prospective bridegroom is stationed at the Granite City Engineer Depot.

Installation By Marshall PTA

New officers of the Marshall school PTA were installed by Mrs. Ruth McDonald Monday evening. Scheduled to take office in September, they are Paul Walsh, president; Mrs. Kathleen Radlock, vice-president; Mrs. Louise Province, secretary; Mrs. Dorothy O'Hall, treasurer; and Miss Eleanor Waddington, historian.

A flag ceremony by Brownies opened the monthly meeting and Mrs. McDonald introduced leaders of the PTA-sponsored Girl Scout and Brownie troops. A certificate of appreciation was presented to President Jim Hasly, who also received a pin signifying two years' service as president.

Principal Mary Hopkins reminded the group to vote in the school election. The PTA Mothersinglers sang, and the attendance banner was given to Mrs. Edwards' fourth grade class. Refreshments were served by the second grade mothers.

MISS HAZEL TOWERY HOSTESS FOR SORORITY
Miss Hazel Towery, 1705 Spring avenue, was hostess to the Theta Theta Chapter of Beta Sigma Phi Sorority last night at her home.

Mrs. Beulah Sykes, president, was in charge and after the business session the group was entertained with a film on interior decorating shown by Jack Friedman of Friedman's Furniture store in Madison.

Dessert and coffee was served to the members and an invitation was extended to the chapter to meet with Miss Dorothy Morgan, 2909 Washington avenue, April 13.

Fredman Bros. Furniture Co. Celebrate 26th Anniversary

46 YEARS OF SERVICE AND PROGRESS IN ILLINOIS

26th ANNIVERSARY SALE STARTS FRIDAY

15-Store Chain Notes 46 Years of Progress

The Granite City Friendly Fredman Bros. Furniture Store is just one of the 15 Fredman Bros. stores located throughout the state which will celebrate the 46th anniversary of the founding of the chain. The first Fredman Bros. firm store was opened in Collinsville, Ill., in 1914.

Bedroom Suites Feature New Glideaway Idea

Fredman Bros. Furniture Co. are the exclusive dealers in the Quad-Cities for lifetime guaranteed all steel Glideaway Carriages, an invention patented by Harry Fredman and now manufactured in Peoria and sold nationally.

Glideaway Carriages were designed with the housewife in mind. They make possible the moving of the heaviest dresser, chest and bed without strain or effort, and they provide a safe method of moving heavy bed and bedroom furniture without danger of splitting legs or scratching the floors.

Glideaway makes moving an easy task since it allows all types of beds, including the new bookcase beds, to move with ease. The all steel frame construction eliminates the danger for wood slats, and supports the heaviest weight. The carriage keeps the bed perfectly square while being moved.

Glideaway adds years to the life of every bedroom suite, keeping all pieces square and rigid.

There is no danger of ripping up carpeted floors when moving beds, dressers, or chests equipped with Glideaway. The carriages move easily and smoothly over all carpeting.

Famous bedroom manufacturers have realized the advantages of Glideaway and have included the Glideaway construction on leading brands of bedroom furniture.

The Glideaway Carriages have been hailed by many as one of the greatest improvements in the history of bedroom furniture.

Each store receives personal attention and supervision by the Fredman families. Hundreds of persons employed in these stores with an accumulation of tens of thousands of years of service carry out the Fredman tradition of building customer confidence in the company.

This has been the goal of the Fredman Brothers since Harry and Dave Fredman first came to the United States from Poland in 1913 and opened the Collinsville store a year later.

The growth of the organization has been due to the many years of fair dealing with the public, honest values, and good service.

The purchasing power of the stores has been great because of the number and volume of the chain. Of course, carload buying means bargain prices to customers.

This anniversary "Sell-A-Brat" is an excellent example of the chain's continuing efforts to please the public.

Throughout March and April people all over the state will be taking advantage of the outstanding offers being made in recognition of our 46th anniversary.

Outstanding Values In Brand Name Living Room

America's most famous lines of upholstered furniture are found in our big display room.

Such names as Pullman, Krohn, Wayne, Howard, Parlor, Artistic, and Union are a few of the names you immediately recognize.

Wander around the store and you'll see 2-piece suites and sectionals in the newest styles.

Upholstered in nylon fibers with reversible 43 1/2 inch foam cushions for only \$148.

Look for the 3-piece curved sectional with construction in foam and foam cushioning at just \$158.

When there is the popular slant arm suite, in top grade price covers with soft seating regularly made for just \$208.

At the special Anniversary Sale Price of \$188 for both sofa and chair.

There are so many to choose from . . . in all price ranges . . . from \$148 to \$208.

Popular style 2-piece suites at any price you want to pay but every one specially priced to be an outstanding value for our 46th Anniversary Kick-off sale.

Exact cause of the warm, friendly air about the store.

It is the sum of a lot of little things that add the extra something that makes you want to do business here instead of elsewhere.

Fredman Bros. like to have people think of the store this way, because that's the way they like to do business. The reputation of a man or of a business is built around personality, and the Fredman family also strives to create a favorable personality for their store.

They constantly endeavor to offer merchandise which their customers can afford to pay.

If any of the Fredman people falter along this course, we'll be grateful if any of our many friends who see us straight.

Three new bedroom groups are available in the maple. Correlated dressers, corner desks and chests will go as open stock pieces for a low price of \$34.88.

A complete line of bunk beds and other items will also be included in the group of our maple. Don't miss these rare values!

Management Lauds Store Personnel

When it comes to store personnel, the Friendly Fredman Bros. Furniture Co. takes a back seat to no one. Mr. Glenn himself has over 45 years experience in the retail selling field and Aaron Fredman, although a youngster compared to Mr. Glenn, has virtually grown up in a furniture store.

Every member of the staff is fully qualified for his position and takes a genuine interest in his job and his customers. Their goals are to serve and please the public.

Mr. Glenn, Ben Gold, Peg Marshall and Aaron Fredman are in the store to personally assist all of their customers and welcome people with a smile.

The office personnel is composed of Clara Becker, Denny Hinkle and Walt Whitaker.

Pat Nelson has the task of keeping the 4 floors of furniture and the store in general in a tidy condition.

In the trucking and warehousing department, Peg Marshall teams up with the other two delivery men to handle the stocking and delivery of merchandise.

Backing up the local personnel are 14 other Fredman Bros. Stores, a huge central warehouse in Peoria and the hundreds of people that work for and with the Fredman Furniture Co. throughout the state.

During our Anniversary Sale the \$29.50 Glideaway all steel bed carriage and the \$10 set of Glideaway Carriages for chest and double dresser are all included in every bedroom suite absolutely FREE.

In short, at Fredman Bros. Furniture Co. you get your complete bedroom suite mounted on all steel carriages for years and years of extra service and convenience at a little or less than you would have to pay anywhere else for these same suites without these

conveniences. Here are three Anniversary Specials that defy comparison.

Union Starch Service Awards Dinner Saturday
The sixth annual Union Starch & Refining Co. service award dinner will be held Saturday evening in the Crystal Ballroom of the Statler-Hilton Hotel in St. Louis.
At the dinner five employees with 35 years of service will be presented with diamond service pins, while 100 will be honored for 30 years of service and six will receive gold watches as service awards for 25 years of service.
Irvin Miller, of Columbus, Ind., chairman of the board and president of the company, will be the principal speaker at the dinner, reviewing the status of the company and covering the future activities of the organization.
Mrs. E. B. Pule, widow of the late E. B. Pule who was president of the company until his death last year, will also be honored.

Discusses County Historical Society
The aims and undertakings of the Madison County Historical Society in its attempts to preserve and unweave the history of Madison County history will be discussed by members of the Granite City Kiwanis Club Monday night by Burton Bernard, local attorney and president of the association.
Bernard said the society has been holding its regular meetings in the smaller communities of the county, where local speakers present various historical facts as to the origin of the town.
Thirty members attended the meeting, held at the Elks Club. One guest, Milton Matthews, local auto dealer, was present.

HONORED ON BIRTHDAY

Mr. and Mrs. Harold Roberts entertained with a party in honor of their daughter, Shirley, on her ninth birthday Sunday afternoon at the YMCA. A decorated birthday cake centered the table. Games were played, with prizes going to Harold Dean Adams, Craig Roberts, John Petris, Ann Aufderheide, Sandra Ramsey, Janet Powell and Stanley Daigler.

Others present were Billie Crabtree, Maria Blevins, Betty Keel, Beverly Forsee, Sandra Forsee, Robert Forsee, Elaine Keel, Michel Hagopian, Charles Rapp, Danny Daigler, Sharon Daigler, Roger Daigler, Mike Tindall, Bobby Tindall, Lynn Allen, Terri Canyon and Johnnie Roberts, Gail Floyd, Sandra Ramsey, Martha Casey, Christine Grove, Edna Daigler, Nora Roberts, Joyce Roberts, Wanda Roberts, Opal Floyd, Helen Crabtree, Harold Roberts and Albert Daigler. Refreshments were served and the honoree received many gifts.

SECOND BIRTHDAY

Edward Dale Kennerly celebrated his second birthday Monday night at a dinner party given by his parents, Mr. and Mrs. Charles Kennerly, 3833 Lake street. A circus cake with two candles was served to Edie Kennerly, Ben Williams, Mrs. Bertha Hall, Mr. and Mrs. James Hodshorn, John Harper and Charlene Kennerly. Gifts were received.

Mrs. Wanda Roberts, 4861 Warnock, entertained with a come-as-you-are party Monday evening. Games were played and prizes were awarded.

Refreshments were served to Mesdames Geneva Lindner, Viola Harrison, Edna Daigler, Opal Floyd, Pauline Mitchell, Cherry Daigler, Rose Marie Lewis, Beverly Lewis, Shirley Widel, Al Brzel, Goldie Eubanks and Sandra Roberts, and Lane Kennerly, Terri Dale and Craig Roberts.

Brownie Troop 31 met Tuesday at the Kroger home, 3849 Lake street, with Mrs. Florence Deatherage in charge. Margaret Wilkerson and Betty Handfield were transferred to Troop 75. The girls discussed delivering cookies Saturday and the troop is making a troop flag. Present were Janice Kreher, Stephanie Deatherage, Dorinda Deigler, Linda Hamilton, Karen Deatherage, Becky Blackburn and Cheryl Fisk.

The auxiliary of the Long Lake fire department met Monday evening with Mrs. Eleanor Anderson, 4129 Kaseberg lane. President Eunice Wilkerson was in charge and plans were made for a rummage sale in April. Refreshments were served by Mrs. Anderson and Mrs. Lola Biggs to Mrs. Edna Barron, Mrs. Lucille Sobczak, and Mrs. Frances Harper.

The Canasta club met Tuesday evening at the home of Mrs. Olive Conaway. Prizes went to Mrs. Juanita Spence and Mrs. Martha Anderson, with Mrs. Joyce Hayes also present. Refreshments were served by the hostess. The club will meet in two weeks with Mrs. Evelyn Smith.

The Mark Alexander Junior CA of Pontoon Baptist Chapel met Tuesday with Mrs. Mary Austin, counselor. The lesson was on "Footprints of Jesus." Refreshments were served to Rosetta Austin, Sharon Watson, Beverly and Sandra Forsee, Shirley Roberts, Elaine Keel, Alice Smith, Dana Gaddie, Betty Keel and Pauline and Donna Webster.

Mrs. Orla Cravens and Miss Judy Hendricks of Madison, Alle Daxter of Morgantown, Ky., and Toby Verdu of Fairmont were dinner guests Tuesday evening at the home of Mr. and Mrs. Thomas Martin of Breckenridge lane.

Mrs. June Finley entered St. Elizabeth Hospital Sunday to undergo treatment. Her condition is good.

Unusual Exerciser

Is Available Here
Ernest Bickhaus of Bellemore Toy and Sporting Goods at the Bellemore Village shopping center, has available a unique new exerciser which apparently does not require much exercise.

Called a "pica," the outfit, which consists of two metal poles extended in "V" shape from a small base, makes use of the body weight and leaning to improve muscle tone and trim off excess poundage, Bickhaus said. The base is placed against the base of any wall, the poles extended, and the exerciser can lean and stretch, making use of the poles, in any one of 23 prescribed exercises.

Aid-To-Retarded Association Will Meet
The Granite City Association for Aid To Retarded Children will hold a monthly meeting at 7:30 p.m. Monday, March 28, at St. John United Church of Christ, Nameoli road. Members and the public are invited to attend.

EVENING CIRCLE MEETS

The Nameoki Presbyterian Women's Evening Circle was entertained by Mrs. Bonnie Britton in her home, 3518 Wilshire drive Tuesday evening. Open services were given by Mrs. Britton, chairman, missionary names were read by Mrs. Helen Rehagen, with prayer offered for them.

Mrs. Rehagen, world service chairman, announced that all completed cancer bandages are to be turned in to Mrs. Hilde Davis. A Bible study lesson was given by Mrs. Twyla Marcum. Circle prayers closed the meeting, and the hostess served a late dessert course to Mrs. Ann Freeling, Mrs. Ruby Hocking, Mrs. Fern Mitchell, Mrs. Bea Pyle, Mrs. Louella Purcell, Mrs. Lu Pyle, Mrs. Louise Thompson, Mrs. Mary Taylor, and three guests, Mrs. Edith Arbogast, Mrs. Demaris Whitaker and Mrs. Betty Flinn, president of the association. The next evening circle meeting will be at the home of Mrs. Mitchell, 1512 Johnson road, April 26.

STEWARDSHIP LESSON

The EMB circle of Nameoki Methodist Church met Tuesday evening in the home of Mrs. Ruth Hancock, 1 Fontaine lane. Prayer was offered by Mrs. Dorothy Luckert, and Miss Moore Groshong, chairman, presided. Stewardship was studied, with Meddians Diana Stone, Mildred Manney, Vivian Azari and Jane Elking and Miss Groshong presenting different phases of the lesson. An Easter offering was collected to aid retired Methodist missionaries.

Mrs. Azari gave the closing prayer. Others present were Mrs. Vera Pittman, Mrs. Peggy Dilard and Mrs. Ann Staloff. The next circle meeting will be April 19 in the home of Mrs. Bess Caus, 19 Oaklawn drive.

SEE ALL-AMERICA FILM

Girl Scout and Brownie leaders of Neighborhood Three, the Julietters, met at the Nameoki Presbyterian Church Tuesday evening. Mrs. Shirley Brown, president, was in charge of the monthly meeting.

Girl Scouts of Troop 185 presented the flag, and showing of the All-America City film preceded the business meeting, with Harry Fechts the projectionist. He was presented with a gift.

Camp Lakota was discussed, and Mrs. Brown said bus service will be provided for the girls for the open house Sunday. The bus will leave the Nameoki school parking lot promptly at 1 p.m. and return at 2:45 p.m. Permission slips signed by the parents are required to enable the girls to ride the bus. Troop flags will be flown at the camp.

BIRTHDAY DINNER

Mrs. and Mr. George Durbin Jr. had as dinner guests Mr. and Mrs. George Durbin Jr. and Mrs. Mary Durbin and sons, Dennis and Donald, Sunday evening. The occasion was the birthday of their grandson, Ray.

Plans are being made by the Calvary Baptist Church for eight members of the Young Women's Auxiliary to attend a three-day state conference in McLeansboro, Ill. They are Connie Clark, Alice Belcher, Linda Harrison, Linda Williams, Judy Brooks, Frances Walls, Anita Patterson and Binnie Barton. They will be accompanied by Mrs. Edith Harris and Mrs. Lois Bradford, counselors.

Gas 'War' Sends Retail Prices Down

Apparent oversupply of gasoline resulted in another gas "war" in the Quad-City area. Most dealers in standard brands were selling at 31.9 cents per gallon and regular at 27.9 this morning.

The price cuts first hit dealers in St. Louis county, moved into St. Louis proper and then into eastern Illinois.

The oversupply of gas is caused by the large demand for fuel for the diesel engines in the production of gas are produced for every one of fuel oil, the demand for which has been high due to unseasonably cold weather.

**"Worst roads in
the world, but
this new Chevy
takes all the
roughness out!"**

Out near Watoma, Kansas, farmer
Milt Roundy tends 800 acres with
only one helper—his 1960 Chevrolet
pickup. The truck almost never runs
on Kansas' fine state highways—in-
stead it averages about 3,500 miles
a month on unimproved back-
country trails or on bumpy roads into
the fields, off the road. "In my book,
these are the worst roads in the
world," Mr. Roundy says. "And this
new Chevy takes all the roughness
out. It doesn't fishtail or whip
around like other trucks — I can
drive it with one finger!"

They're speaking right up, these owners
of '60 Chevies. Everywhere you go,
they're giving out glowing reports on
a revolutionary new truck side that
leads to a bigger day's work at less
expense; praising truck power that
knows the most about driving money.

It's Chevy's total assurance they're
talking about. And you'll be talking,
too, once you turn a new Chevrolet
loose on your money runs. Your dealer
can get you started, right away!

It takes Chevy's new Torsion-Spring
Ride to smooth out a road like this!

Twilight Club Contributes To Scholarships

Twilight Optimists voted at their dinner meeting Monday night to contribute \$100 as their yearly gift to the Granite City Scholarship Foundation. The contributions to the foundation are used to aid deserving high school graduates in furthering their education.

Vice-President Charles Meyer, who presided, announced receipt of a check for \$1019 as the Twilight club's share of proceeds from the Optimist Christmas tree sale in December.

Guest speaker was William F. Winter of the Press-Record, who showed color photographic slides of areas in Europe visited last fall.

Secretary Arthur Metcalf presented five-year perfect attendance pins to James DeBartus and Leland Markgraf and four-year pins to Wesley Lomax, Paul Sebold and James Malott.

The club decided to meet jointly with other Granite City Optimist clubs at 6:30 p.m. Thursday, March 31, at the Rose Bowl and to send ten members to an Optimist bowling tournament in Belleville April 9-10. An invitation was received to take part in an annual joint meeting of area service clubs on Monday Thursday.

Council Boosts Pay of Court Clerk To \$450

An ordinance increasing the salary of the clerk of the city court from the present \$400 a month to \$450, effective May 1, was approved Monday night by Granite City council members.

The increased salary will be paid to the new city court clerk elected in the April 30 city court election.

The ordinance was approved with only one dissenting vote by the council will prohibit parking on the south side of 17th street between Grand avenue and State street. The ban was requested by Alderman Estlin Von Schmitt, who said trucks had been parking along the street, and causing damage to the roadway.

Permission was granted Mayor Davis to attend the 1960 U. S. Conference of Mayors to be held May 11-14 in Chicago. Davis urged council members also to attend the conference, pointing out he had found it worthwhile to attend last year's conference in California.

Referred to the Public Utilities Committee was a notice from the Illinois Commerce Commission advising the city that Wabash Railroad Co. is seeking authority to discontinue two passenger trains between Granite City and Chicago.

Alderman Betnes, chairman of the committee, said an effort will be made to determine how many local area individuals would be inconvenienced by the dropping of the two trains, one traveling in either direction daily; and a suggestion was made by Alderman Arthur Wiser to determine if the Granite City Engineer Depot and local industries would pose the elimination of the trains.

While a recommendation was not made, Alderman Betnes indicated the committee would oppose the discontinuance and would seek public support.

Mayor Davis said he and the city attorney had attended a number of such sessions and found that when a railroad proved it was losing money on the runs, objections would not prevail. "I don't want to go back," Mrs. Betnes stressed that if no objections were filed, the railroad could drop the trains without a public hearing. Alderman Walter Norn said the city could probably call upon the railroad workers unions for support in fighting the proposal.

Permission was granted to John B. Moss, local resident, to address the council, and he urged the city to indicate its support of the Forand Bill in Congress, pointing out it would aid the elderly throughout the nation. Council members took no action.

**Bill List For City
Amounts To \$19,256**

Bills approved by Granite City council members Monday night totaled \$19,256, including a payment of \$7025 to Toss State-baker Construction Co. and \$421 to Gabriel & Dugger, architects, for the new fire station construction.

Other major items of expense were purchase of five new police cars from Farrington Motors, Inc. for \$4420; \$733 paid to Melvin Pashek for maintenance of the city dump during March; \$1900 paid to City Engineer David Johnston for services performed—\$850 as final payment for the city's off-street parking survey and \$850 partial payment for preparation of plans for the proposed electric traffic signals at 27th street and Madison avenue.

Expense allowances included on the bill list were \$30 February expenses for Alderman Frank Nemeth, \$30 January expenses of Alderman Mrs. Gabrielle Betnes, \$30 March expenses of Alderman Rufus LeMaster, \$30 March expenses of Alderman Samuel Whitmer, \$50 March auto allowance for Police Chief Raymond Willard, and \$13 expenses of Mrs. Ruth Eberhart, mayor's secretary, for a business trip to Chicago on March 4 in connection with a survey for federal funds for a sewer sewer and drainage survey.

Bids To Be Sought To Convert City Boiler

With natural gas fuel now available for heating purposes, Granite City council members voted Monday night to call for bids to convert the city hall boiler from coal.

Alderman Donald Partney, who made the motion, also included the new fire house, saying the city could probably get a rebate on the present oil-gas burner which has not yet been used. The Fire and Water Committee is to study the possibility of changing the heating plant at the fire house to straight natural gas.

EDITORIAL

Full Drainage Survey, Flexibility, Use Of Most Qualified Firm Vitrally Needed

Gathering of cost figures by the city's Special Sewer Committee is a surprising and unauthorized action in view of Granite City aldermen's 12-to-3 vote on Feb. 15 to accept the 25-member citizens' committee's master drainage program recommendations. Described as a "saving" for taxpayers, the hastily-developed plan — suggested by the council committee Monday night as a substitute for the citizens' year-long study — actually could prove costly from two standpoints.

The purported "saving" in engineering costs is a deceptive figure. It was arrived at by comparing maximum cost figures of the recommended firm, Sheppard, Morgan & Schwab, with prices which aldermen obtained later from firms not recommended by the citizens in their report. The procedure seems unfair and overlooks the fact that all five firms interviewed gave assurance that they would conduct the federally-financed survey economically.

Worst of all, signing of a contract at less than the \$120,000 federal grant could short-change the city of survey funds. The sewer, drainage and related pollution studies are so comprehensive that a full exploration is essential, not a "penny-wise, pound-foolish" method of planning a multi-million-dollar program. The citizens' committee does not advocate spending money unnecessarily, but a firm contract at any figure below \$120,000 could eliminate all flexibility, depriving Granite City of available federal funds that could well be needed.

The second costly aspect of the reversal put before the council by Aldermen Frank Vesi, Walter Nann and Emil Von Schmittau is that it would discard the firm found most qualified for the work, a selection based on extensive study and detailed interviews. Most familiar with local terrain and possessing the greatest knowledge of Granite City drainage conditions, the Sheppard firm was recommended by the citizens unanimously in a secret ballot — none knew how the others were voting, but all reached the same conclusion. The citizen committee was appointed by the mayor and council, and the study was made at the council's request. All the recommendations were accepted by the council last month, and it was during the council committee's contact negotiations with Sheppard that maximum costs — not bids — were listed.

The city can obtain about the same number of units of engineering work from any of the five firms interviewed. Supposed savings on the survey are simply not the issue. The point is that the city delegated to the citizen group the time-consuming task of evaluating the interested firms. The special council committee did not take part in all the interviews and it is in no position to second-guess the selection. The council, of course, can if it wishes renounce its own action and the citizens' report, but the committee has not shown any cause for such drastic action.

There is no basis for making an issue of the cost. All five companies told the citizens that professional ethics barred them from taking bids. Now one of them says it is giving a "firm bid," but equal opportunity was not given to all. And any reason that might be given for trimming the amount of federal funds used is overshadowed by the need for a full study of the drainage outlook, not just for a year or two but for many years to come.

The survey is intended to show this area's needs through 1980, in line with projections made in the Harland-Bartholomew plan obtained by the city along with other local taxing bodies. On the record thus far, the city council has taken the wisest and most economical course in accepting the recommendation for a contract with Sheppard. Monday's minority proposal might get the survey made for less money, but in spending less federal funds the city undoubtedly would get less. In contrast, use of the entire \$120,000, if needed, could lead to adequate planning for the next two decades, enabling the city to keep abreast of its expansion needs.

If there is any question relating to the qualifications or cost, the council should ask the citizens' committee to take a final look at all available data, including new cost figures. Thus, the citizens' knowledge and background information gained in the past year would not be wasted.

The needs to be kept in mind are the fullest engineering study possible, the most qualified firm to make the study, continued maintenance of public confidence in all phases of the master drainage program and prompt council action to carry out its acceptance of the citizens' recommendations.

Russian Language Found To Be Easier To Learn Than Anticipated

Since the Russian language is expected to be introduced as an elective subject in at least two of the local school districts next fall, an announcement just made by Harvard University is encouraging. The word from the Cambridge, Mass., school is that its study of Russian has shown that the structure and grammar are much simpler than was previously thought.

Russian syntactic structures have "a hitherto unsuspected degree of simplicity, regularity and universality," Prof. Anthony G. Oettinger reports. The language generally has been thought of as difficult to learn.

Typical sentences are being analyzed on a computer using a method known as predictive analysis. The procedure is described as a series of educated guesses, in which each word in a sentence predicts the most likely grammatical form of the following words. Alternative guesses are stored in a "memory" section of the machine and are anticipated if later words in the sentence show the first guess to be wrong.

A Russian-English dictionary for use in mathematics and electronic texts is the goal of the Harvard project, and the machine analysis being conducted is viewed as "a long step toward automatic language translation."

Analysis of syntax is similar to the "parsing" exercises for diagramming sentences in English classes. Prof. Oettinger says linguists are showing much interest in the new machine technique as a convenient way of discovering the rules governing rare grammatical constructions. The feat of predictive analysis can be adapted to give the "pedigree" of almost any language.

It is believed that the project may be developing a powerful tool for learning more about the structure of languages. In addition, the computations are lending support to the fast-growing practice of teaching Russian in this country. Not only is widespread knowledge of Russian needed, but it appears that the learning task may not be as difficult as originally expected — the language apparently follows a more consistent pattern than do the Soviet leaders.

"American enterprise is the art of making too-less shoes a fashion rather than a calamity." — Stark County News.

A voter who supports a candidate for a selfish interest, has no right to complain when the man represents other selfish interests.

Census Expected To Show Illinois Population Exceeding 10 Million

The census count scheduled to begin in Illinois April 1 is expected to show a population topping 10,000,000 for the first time. Estimates indicate a 10,000,000 tabulation, which would be an increase of about 20% over the 8,712,176 listed in 1950.

Since the initial census showing 12,282 persons in 1810 in the Illinois territory, including parts of Wisconsin, Michigan and Minnesota, the state has shown substantial increases in every decade except the 1930s. The 1,711,951 population in 1850 represented a ten-year gain of 100%, and there were increases of 26% to 4,821,550 in 1900, 17% to 7,630,654 in 1930 and 3.5% to 7,897,241 in 1940.

In the past decade, which has seen an Illinois population gain greater than the 1950 population of Colorado or Nebraska, there has been a continuing shift from farms to cities. This is attributed partly to the expansion of industrial and residential areas into former agricultural land and the abandonment of less productive farms. The 1955 totals of about 670,000 living on 175,000 farms are expected to be down to 610,000 and 140,000.

Chicago's population, 3,621,000 in 1950, has risen but the city's growth has lagged far behind that of the surrounding suburban area, just as the Quad-Cities, Cahokia and St. Louis county have accounted for most of the St. Louis area population gain.

The new census, which will require the efforts of 9775 persons in this state, should reveal many helpful facts about this area, Illinois and the nation. Its results will be awaited with interest.

Six GCCHS Seniors Win State Scholarships

Six Granite City high school seniors have been named recipients of Illinois State Scholarships for 1960-61. The program this year will grant both monetary and honorary scholarships to 2673 high school seniors. The awards announcement was made today by Gov. Stratton.

The local winners are: William Eberhard, son of Mr. and Mrs. Lester Eberhard of 2305 Washington avenue; Jo Jennings, daughter of Mr. and Mrs. Merl Jennings of 1725 State street; Linda Lester, daughter of Mr. and Mrs. Clyde Lester of 2729 Washington avenue; William McDowell, son of Mr. and Mrs. Hoo McDowell of 3408 Hancock road; Patricia Patton, daughter of Mr. and Mrs. W. H. Patton of 3810 Terrace lane; and Alan Sharp, son of Mr. and Mrs. Ralph Sharp of 2333 St. Bernard avenue.

They are among the third group to receive scholarships since the program was started in 1957. Of the awards granted this year, 1313 will be monetary and 1360 honorary.

Worth Up To \$600 Yearly
The monetary awards may be worth up to \$600 a year and are to be used for the payment of college tuition and fees costs. Grants are renewable for a period of four years, provided the student makes satisfactory progress and continues to have financial need.

The winners were selected from among more than 20,000 applicants who took qualifying examinations last Nov. 7. From this group 4338 were selected as semifinalists on the basis of their performance on the examination. Additional information on the semifinalists was gathered before they qualified to receive a state award. Some semifinalists not included in today's announced selections may later win state awards as replacements for winners who do not accept the scholarships.

In order to qualify for a state scholarship, an applicant must first rank academically in the top half of his high school graduation class. He must then do well on the competitive examination which is administered on college campuses each fall. Winners must choose to attend one of the 73 Illinois colleges and universities approved by the state legislature.

Based On Need
In order to receive a monetary award, students and their families must demonstrate financial need in getting a college education. Honorary awards are granted to those contestants who have met all qualifications except that of financial need in attending the college they have chosen.

However, if the holder of an honorary award should later encounter unfortunate circumstances which make financial assistance necessary he may petition to have his award made monetary.

Venice Board Discusses '60-61 Funds, Salaries

School finances and salaries for teachers for the 1960-61 school year were the subjects of an informal meeting of members of the Venice school board Monday night following the regular board meeting.

A reduction in the 1959 valuation of property within the school district and how it will affect the district's tax levy was discussed.

Board President Lester Salem noted that the reduction amounted to \$748,000. The district's tax rate is up slightly.

Tax Settlement Pending
A final tax settlement is still pending and is expected in April. The board was able to discuss current finances in general terms only, pending the tax settlement. An additional \$25,000 was to be realized from an increase in the state aid formula, but will be partially counteracted by the decreased valuation, board members said.

They are expecting to be contacted to arrange a salary discussion session with teachers in the near future.

Treasury Report
During the regular meeting held in the offices of Supt. John Pier, the board received a report that three families in the Venice district have kept their school children out of school all year. The report said the parents in question have been visited and by both Madison police and the trustee officer with no apparent results.

Glenview Phones In New St. Louis Books

The St. Louis area alphabetical telephone books being distributed here starting today include 1004 pages and 545,000 listings. Paul F. Roth, local telephone manager, has announced. Among the listings are Quad-Cityans having Glenview-1 and Glenview-2 numbers.

The new directories, dated April 1, 1960, replace those dated April 1959. The 1959 St. Louis books will be picked up along with 1958 Quad-City books.

County Grand Jury Is Impaneled Monday

Twenty-five criminal cases are to be investigated by members of the Madison County Circuit Court Grand Jury, which was impaneled Monday before Judge Harold R. Clark in Edwardsville.

Included is the investigation of the slaying of a 51-year-old Granite City resident, by his 15-year-old son, on Monday. The criminal cases are being presented to the jury by the state's attorney's office.

Seven Quad-City residents are members of the jury. They are Donald L. Winkle, Edward R. Rilling, Delbert Lampher, Mrs. Bernice Eckels and Robert W. Kinzie of Granite City; John Tamm Jr. of Madison and Delores L. Smith of Venice.

Foreman of the 23-member jury is Fred G. Bott of Alton. The jury is charged to return criminal indictments or "no true bills" in each of the cases brought before them.

\$1,223,231 Bid On 2 Overpasses Near Mitchell

Hoeffken Brothers, Inc., of Belleville was apparent low bidder on construction of two railroad grade separation structures on construction of a half-mile section of Illinois Route Three, the Illinois Division of Highways announced this week. The low bid of \$1,223,231 and others were opened on March 18.

The project on which bids were received does not include furnishing and fabricating the structure. The structures are to be constructed to carry Federal Aid Interstate Route 270 over Route Three, the Wagon road and the GMAO, CCCA St. L. and Wabash railroads.

At the third of nine bid lettings scheduled for this year, Shur Beth Exterminators of Chicago submitted a low bid of \$25,600 on roadside weed control spraying along 401.9 miles of various routes in Madison, St. Clair, Bond, Clinton, Jersey, Macoupin, Green, Jefferson, Montgomery and Washington counties.

Low bids totaled \$34,620,903 on 102 construction and related projects, all a part of the state's 1960 road program. The announcement followed tabulation of 428 bids.

The next bid letting is set for April 19.

Charged With Speeding

A charge of speeding at Farnham road and Rode avenue was placed against Herbert E. Hatley, 19, of 2205 Elm avenue, by Granite City police who issued an arrest ticket Tuesday afternoon.

Local Sailor Takes Part In Relief Delivery

Naval Air Reservists from five states, including Yeoman Second Class Frank Rodgers Jr. of 3124 Anheuser avenue, began two weeks of annual training duty this week at the Naval Air Reserve base at Memphis, Tenn. Rodgers is a printer for the Press-Record.

The reservists will train with Fleet Tactical Support Squadron 783, and will man the flights that will deliver at least three B-57 "Skyraider" transport planes loaded with clothing and bedding for the disastrous earthquake which recently struck Agadir, French Morocco.

The transports will be loaded with several tons of material collected at Naval establishments throughout the United States since a personal plea for aid was issued by Princess Laila Malika, second daughter of King Mohammed V of Morocco.

Two State License Arrests

Two charges of failure to display state license plates were filed Tuesday morning by Granite City police against H. A. Cain, 45, of 4702 Kirkpatrick homes, and Linda G. Cain, 19, of the same address. Both posted driver's licenses as bonds.

Piano Duet

Final Community Concert Sunday For '59-60 Season

The Tri-City Community Concert Association's current season ends Sunday with the presentation of Alfred and Herbert Teltchik, duo pianists, at 3 p.m. in Granite City high school auditorium. Season ticket holders are eligible to attend as are those who purchase tickets for next year's concert season. A membership drive is going on this week. The Teltchik brothers are now on their eleventh sold-out tour of the country. A New York newspaper says of them, "They proved themselves to be masters in the art of duo-pianistic precision with their dazzling ensemble, tremendous sureness and finesse and delicacy to the last detail." The brothers are unusual in that they do their own arranging which in most cases pianists have composed the work for them or use only works that have already been written for two pianos. When they are not busy arranging music they are practicing. While on tour they carry with them at all times an 88-key silent keyboard, which is light and easily transportable, and on which they can practice whether in their bus or hotel room. They also will bring with them their own grand pianos.

The Teltchik, sons of an Austrian musician transported to Texas, use the old world background and their own American upbringing in a blend of style in their music.

The Tri-City Community Concert Association has already presented the Columbus boys choir, Marina active voice ensemble and Archer and Gile ballad singers this year and have signed Brian Sullivan and Myra Kinch for two of next season's attractions.

TAX FACTS

Representative government in which the assembled citizens themselves determine policy has been preserved by townships in the form of the town meeting. The taxpayers' Federation of Illinois stated today. Every qualified voter is entitled to participate and vote in the town meeting — and a qualified voter is any person who is a citizen of the United States, 21 years of age or over, who has lived in the state for one year, and the county for 90 days and in the precinct or election district for 30 days.

One of the most important powers of the electors at the annual town meeting — coming up on April 5, the first Tuesday of April — is the levying of taxes. They did not always have this power. In fact, for years taxes for general township purposes were levied by the county board of supervisors on the basis of claims certified by the board of town auditors.

The basis for the exercise of the tax-levying process by the electors in the budget and appropriation ordinance. This ordinance is prepared in tentative form by the board of town auditors (superior, town clerk and justices of the peace), and is available for public inspection for at least 30 days prior to final action thereon at the town meeting. At least one public hearing is given by publication in a newspaper. If there is one published within the township; if not, notice of the hearing is given by posting notices thereof in 5 of the most public places within the township. At such hearing, as well as at the annual town meeting, any taxpayer can ask questions and make recommendations pertaining to the budget and appropriation ordinance.

Previous to the meeting, the supervisor must prepare and file with the town clerk a full statement of the financial affairs of the township for the past year. The town clerk has the duty of not only recording this statement in the record book, but he must also read it aloud at the meeting. There is wide divergence among townships in the attention paid to the town meeting. Some meetings are well attended and exert a real influence in the management of township affairs; in other cases, only a few persons other than town officers attend, and the meeting is merely a formal approval of acts already decided upon by the officers. To preserve this vestige of direct government, the Taxpayers' Federation of Illinois urges all qualified electors to attend their town meetings.

Special Events Planned At Church This Week

Three special events have been added to the regular schedule of activities at the First United Presbyterian Church in Granite City for this week, it was announced today.

A skating party for members of the church school will be held from 5:30 to 7 p.m. Friday at the local roller rink.

The church and most other Protestant churches will take part in "One Great Hour of Sharing," receiving contributions at the worship services and church school Sunday morning. Church bibles, envelopes and descriptive literature have been distributed, and additional bibles and envelopes will be available for those who have not received them.

The final event will be a church school "open house" at 6:30 p.m. Sunday. The junior high department will conduct a worship service in the sanctuary with music by the church choir. Afterwards, parents and visitors will visit various departments of the school and then enjoy refreshments in the fellowship hall. Superintendents, teachers and workers will be on hand to welcome the visitors.

Wage-Earning Children Can Be Exemptions

Parents may be entitled to claim their child as a dependent on their Federal income tax return even though the child earned \$600 or more during 1959, Jay G. Philpott, director of Internal Revenue for the Springfield District, reminded taxpayers today.

"Even though your child is required to file an income tax return if he has income of \$600 or more for the year, you also may claim him as a dependent if certain conditions are met," he explained.

"If you have furnished more than half of his support, you may claim an exemption for him regardless of the amount he earned, providing he had not reached his 19th birthday by Jan. 1, 1960.

"When the child is 19 or over, you still may claim an exemption for him if he was a full-time student during some part of five calendar months in 1959, and if you meet the support test. A full-time student is one who is enrolled for the number of hours which is considered to be full-time attendance.

"In addition to attendance in the regularly recognized high schools and colleges or universities, your child also will be considered a student if he is pursuing a full-time on-farm training course under the supervision of an agent of a state or political subdivision."

FHA Families Plan For Better Farming

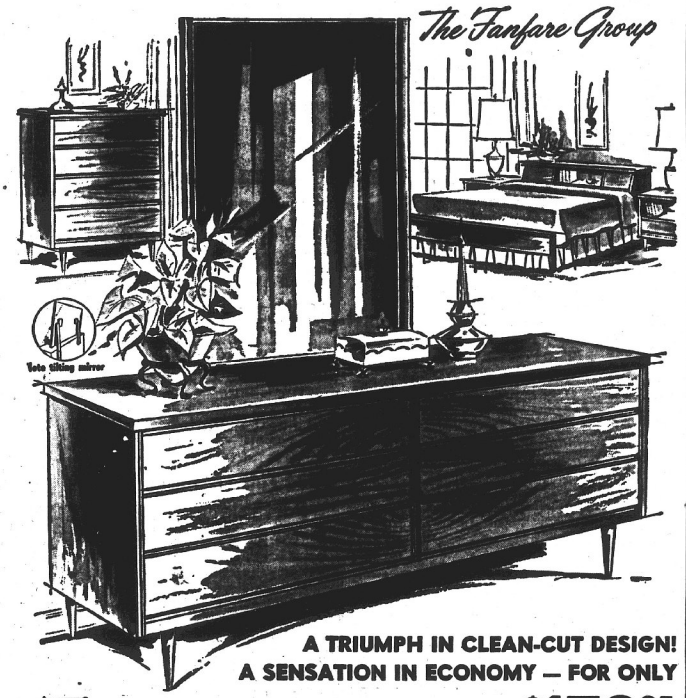

Farm families using Farmers Home Administration credit in Madison county have completed a series of individual meetings with Harold F. Kiepe, the agency's county supervisor to take a careful look at the 1959 operations and make 1960 plans.

Kiepe said this year-end analysis is a service given by the agency which makes loans to eligible farmers to operate, improve and enlarge family-type farms.

As a result of this study of their farm operations, Kiepe said some of the better practices that farmers here are working into their 1960 plans include (1) testing soils and applying lime and fertilizer required by the specific crop to be grown, (2) feeding balanced rations which include mostly home grown feeds and commercial supplements, (3) farrowing crates to save more pigs per litter, (4) culling of herds, (5) remodeling buildings, feeding floors and following sanitary practices in livestock production (6) breeding for high production (7) joining dairy herd improvement associations and weigh a day a month.

Good farm planning and record keeping are carried on throughout the year and plan an important part in operations financed with Farmers Home Administration credit.

\$12,000 Tax Warrant For GC Town Fund

A \$12,000 tax anticipation warrant for Granite City town-ship's town fund was approved Monday night by city council members and arrangements are to be made to borrow the money from a local bank. Previous town fund anticipation warrants, including one for \$6000 still outstanding were obtained at a 4% interest rate.

The town fund had a balance of \$800 on March 1, and since that time, bills and salaries totaling \$500 have been paid, leaving a balance of \$300. The town-ship still has not received a final settlement of 1958 taxes from the county, and the payment is not expected until next month.

New tax money from the 1959 levy will not become available until during the summer. Since the city and township are coextensive in Granite City the city council serves as the town board, and acted in that capacity Monday night. The town fund budget for the fiscal year, which ended Feb. 28, amounted to \$40,320.

Right-of-Way Acquisition Delaying E. 20th St. Widening

Right-of-way acquisition at 20th street and Edwardsville road is delaying start of the East 20th street widening project, City Engineer David J. Johnston told members of the city council Monday night during an extensive discussion of street projects.

Bids also are to be sought for paving Jerden avenue from Washington avenue to Henry street, construction plans are to be prepared for draining Melrose avenue, a study is to be made for draining the 3000 block of Nameoki road, and a report was made on progress of the project to widen Nameoki road to four lanes.

The \$170,000 East 20th street widening project is to be carried out by the state highway department, and City Atty. William Beatty told council members that all information pertaining

to condemnation of the needed property had been forwarded to the highway department office at Springfield.

Three-Part Program Johnston said the work on the widening of East 20th street, from Madison avenue to Edwardsville road, is to be undertaken this year and that at least half of the Nameoki road widening project also is scheduled for this year, with the other portion to be carried out in 1961. Both roadways are to be widened to four lanes, with the state paying 90% of the cost and the city paying the remainder from its motor fuel tax allocations.

The Nameoki road project is to be divided at the Madison avenue intersection with the section north of Madison avenue to be carried out this year, extending to the north city limits, and the other section, south from Madison avenue to Edwardsville road in 1961, the engineer said. In the widening

project north of Madison avenue, the old abandoned right-of-way of the Illinois Terminal Railroad Alton-St. Louis trolley is to be utilized.

Jerden Ave. Project The Jerden avenue paving project, which also is to be financed with motor fuel tax funds, will include an asphalt roadway and curbs and gutters. Authorization was given to call for bids with receipt of a notice from the state highway department that plans had been approved.

Alderman Emerald Davies requested construction plans be prepared for a drainage line in the Melrose avenue area to connect onto a 24-inch trunk along West Pontoon road and receive approval of the council. However, it was pointed out the trunk line might prove to be inadequate when a proposed new subdivision with 200 to 300 homes is developed in the West Pontoon road area.

Water Splashing On Streets Also brought out were complaints by businessmen in the 3900 block of Nameoki road whose display windows are being splashed with muddy water that fails to drain away. A study is to be made to determine if the line can be installed to connect onto the trunk line at Amos avenue. However, the city engineer said it was unlikely the work would be carried out at present since the roadway is to be widened by the state in the near future.

Engineer Johnston said detailed plans for the Nameoki road widening project are still in the process of being prepared. Plans also are still pending for a sidewalk along East 23rd street to work with the school district in preparing the plans.

Alderman Emil Von Schmittman informed the council that Hund-Bentley Co. wants to improve the

sidewalk on the north side of 18th street when the city resurfaces 18th street.

Sewer Lines For New Plant Referred to Second Ward aldermen was a request from All Products, Inc., to run a sewer line to 23rd street and Washington avenue from the site of its new \$400,000 plant to be erected at 22nd and Monroe streets.

Alderman Samuel Whitmer of the Second Ward asked for the referral since the installation will require some tree removal.

Two excavation requests for the Second Ward asked for the excavation along West 23rd street east of Missouri avenue for a cable and for an excavation for installation of a conduit along 25th street between Madison avenue and the alley west of Benton street. This excavation will require cutting sewer lines and driveways along Edison avenue and State street at their new buildings. Beatty said the matter is to be taken up at the next meeting of the Board of Local Improvements.

No Withdrawals in GC School Board Election

No withdrawal occurred prior to the deadline Tuesday night, and all three candidates for two Granite City school board positions will be on the ballot for the April 8 election.

They are Homer A. Huber and Robert M. Edmonds, incumbent board members, and Leslie Monroe Worthen. Huber is president of the board and Edmonds is secretary.

pair to crossings in the city and the work will be undertaken as soon as weather permits.

Beatty also answered a question by Alderman Donald Partney, who asked the status of the city's order for Granite City Steel Co. and the First Granite City National Bank to replace with concrete the asphalt sidewalk and driveways along Edison avenue and State street at their new buildings. Beatty said the matter is to be taken up at the next meeting of the Board of Local Improvements.

Electrical Systems Subject Of ISE Meeting

Advanced electrical systems for metal rolling mills and processing lines will be the topic at a meeting of the Association of Iron and Steel Engineers, St. Louis section, at the Elks Club here on March 30 at 8 p.m.

A social hour will be held at 7 p.m., dinner at 7 p.m. Discussing the electrical systems will be W. H. Dauberman, engineer with the Westinghouse Electric Corp. in East Pittsburgh, Pa.

Rich Williams Ends GCHS Career With 5 League And School Records

Granite City fans who witnessed the Warriors' defeat at the hands of West Frankfort March 15 in the super-sectional had the opportunity of seeing the school's highest scorer in action for the last time.

Rich Williams, 5-10 guard, finished his three-year varsity career with five Southwestern Conference and school point-making records, including career and single game league marks and career, season and single game school scoring records. Most of these were established in his last season.

On Feb. 6, he set a single game scoring record for both the conference and school when he tallied 46 points in leading Granite City over Edwardsville 101-47. In that wild contest, he connected on 18 of 28 shots from the field and 10 of 11 free throws.

Prior to the final quarter, when he hit his only cool streak in the game, Williams had hit on 13 of 22 shots. He connected on six of seven shots in the first quarter to start the scoring slump.

The last quarter slump, when he hit on only five of 14 shots, was attributed by a coach to his many attempts in the first three periods. "His arm was probably so tired he could hardly lift it, let alone shoot for the basket."

786 Points In Conference Although Williams missed an other conference scoring record, of leading the league in points for three straight years, he nevertheless set a career mark

of 796 points for an average of 22.1.

He led the league as a sophomore with 264 points and as a junior with 250, but fell to third place as a senior despite scoring more points (282) than in his winning years.

Up to the final conference contest, he had an excellent chance of winning again. He trailed Belleville's Mel Patton, who had completed his season, by only 23 points and led Don Brooks, the eventual champion, by three. But Williams was held to only 15 points by Alton while Brooks "made hay" with Edwardsville.

It was an exciting scoring race, with all three boys fighting down to the final game. Williams and Brooks both overcame early-season slumps to battle Patton during the final month.

"Rich didn't lose the championship tonight," Granite City Coach Andy Sullivan said after the Alton game. "He lost it in the first Belleville game when he got hurt early in the third quarter."

"The way he was hitting that night, he might have racked up 35 points. And, of course, he played the next night with that protective headgear which made him uncomfortable."

In the Belleville game to which Sullivan referred, played Dec. 18, Williams had 17 points early in the second half and was having a good night when he was suddenly spilled hard as he drove in for a layup. He

sat out the rest of the game with a tooth jammed into his gum, and came back the next night wearing a combination boxing-toothball headgear and hit only 16 points against East St. Louis.

But from then until the time when he removed the headgear, he was a scoring demon who led the Warriors to second place in the Centralia holiday tournament. Fans called him "the man from Mars" because of the headpiece.

42% Shooting Accuracy His last year was his greatest. He attempted 369 shots and made 241 of them for 42%. But most amazing of all was his free throw accuracy. He stepped to the line 175 times and missed only 19 shots for 89%.

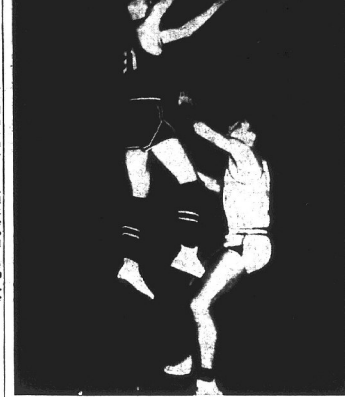

His three-year total for the school was 1604 points in 79 games and for the last season, 638. Both are believed to be school records.

Although primarily a scorer, Williams also was valuable in many other ways. He was known for his ability to spot a teammate who was upon under the basket, and led the team in scoring assists with 107.

Both figures average less than one time a game, considered quite a feat for the ballhandler of a team that liked to run when the opportunity presented itself.

Many College Offers The Granite City ace has had many college offers, including the University of Illinois, Southern Illinois University, Iowa, Wisconsin, St. Louis, Bradley and Memphis State. He is not hindered in making a choice by having to pick a school specializing in the field of endeavor he plans to enter. This is because, like many high school students, he has not yet decided what he wants to be.

"I think I'll choose a school where there is a good chance to play regularly," Williams said. "I was sort of leaning toward Bradley, but now I'm not so certain."

By Press-Record Staff Photographer

RICH WILLIAMS racks up two more points in this tournament game against Collinsville, one of the highlights of the 1959-60 season that ended March 15. The Granite City ace set five conference and school scoring records during his career. Finished with high school basketball, the senior student plans to play college basketball beginning next year.

Green Mound Crew Concerns Coach As Madison Opens Diamond Workouts

Lack of experienced pitching as their pitching last season, lost three front-line hurlers in Bob Price, Fred Riddle and Bob Simpson, all by transfer. This trio accounted for eight of Madison's nine wins in 1959.

The lettermen back for the 1960 season include Sam Georff, who picked up the ninth win, his only decision of the season. Other returnees, all regulars, are Outfielders Willie Petty and Frank Hiege and Shortstop Dan Hrysko.

Madison as a team in 1959 batted only .248, and relied on tight pitching and defense for most of its wins.

"We hope to get outside next week, and should if we don't get more snow and if this wind continues to dry out the diamond," Dant said. The mentor said he is anxious to get a look at three mound candidates, Cal Jackson, Nick Fawcett and Dan Troits.

"Frank (Hiege) may also get a chance to perform as a pitcher," Dant added. Madison, until conditions permit, will continue workout in the high school gymnasium.

Warrior Track Team May Have Lean Year; Several Key Lettermen Gone

"I'm afraid we're in for a tough season," predicted Granite City Track Coach Jack Richardson this week. He has only seven lettermen returning from last year's track season, which finished second in the district meet, and one letterman from two years ago.

"Of the lettermen, some are short on experience," Richardson said. "We'll be exceptionally weak in the mile and half-mile and there is not much chance that we will be better in the shot and discus."

The Warriors will miss two graduates, Ed Ford and Ralph Chapman, both of whom went to the state semi-finals in the hurdles last year. Also missed will be a 100-yard dash standout, Glenn Sprinkle; a 220-yard sprinter, Jerry Heaton, and three distance men, Duane Good, David West and Skip Damotte.

Copponents of the 1960 team are Ken Davis and Fred Hacke. Davis is a letterman in the sprints, while Hacke is a 440-yard runner. Richardson has hopes of developing Davis and Harry Evans into hurdlers. Evans, like Davis, was mainly a sprinter last year.

Other returning lettermen are David Davis in the high jump; Ron Ruppel, broad jump and 440; John Grobowski, pole vault; and Mike Genesive and Bob Summers in the 440. Richardson is high on Ruppel in the broad jump. Last year, Ruo was consistently over 20 feet, with 20.8 his best effort. "David Davis has good potential if he works hard," the coach said.

Currently, the 40 candidates are working on body conditioning and are being instructed in techniques by Richardson and the assistant track coach, Andy Sullivan.

"If weather like we had early this week continues, we should be out running the track soon," the coach said. "We tried going out several times in the last week, but we couldn't find the track—the snow was so deep."

Although the schedule is not complete, the Warriors are tentatively set to open dual-meet competition with Wood River next Friday, but Richardson doubts if the meet will be held. "We just haven't had enough time to get ready with this terrible weather."

\$5,740,631 December Buying In Quad-Cities

Purchasing in the Quad-Cities totaled \$5,740,631 in December, a monthly sales tax tabulation by the Illinois Department of Revenue showed today.

The figure exceeds the December 1958 buying of \$5,498,648 and is slightly less than the \$5,855,129 in December 1957. However, the December 1957 total included \$1,306,272 buying by manufacturers, compared to \$881,506 in the latest report.

The \$5,740,631 Quad-City purchasing in December 1959 included \$4,673,130 in Granite City, \$794,583 in Madison, \$226,153 in Venice and \$44,764 in Mitchell.

\$1,111,186 Food Buying
A breakdown of the community-wide total shows \$1,111,186 food buying, \$881,506 purchased by manufacturers, \$635,110 general merchandise, \$529,824 automotive buying, \$458,498 drinking and eating, \$422,045 apparel, \$326,413 filling stations, \$293,894 lumber, building supplies and hardware, \$189,331 furniture, household goods and radios and \$73,687 all other.

The month's purchasing was reflected by tabulation of \$172,219 in the state's per cent sales taxes. The amount does not include the half per cent collected for city treasuries in incorporated areas and for county governments in unincorporated sections.

Taxes totaling \$140,193 were forwarded by 482 stores and companies in Granite City, \$25,837 by 154 Madison businesses, \$8998 by 83 Venice establishments and \$152 by nine Mitchell firms.

Average payments in the five categories were \$36, \$81, \$89, \$41 and \$73.

Meeting Saturday On Off-Street Parking Survey

A meeting to discuss Granite City's off-street parking survey is tentatively scheduled for noon Saturday at the Elks Club, it was announced during Monday night's council session by Mayor Davis.

The city council has been studying the survey for the past month, and the meeting will be for members of the council's Downtown Traffic Committee, the Off-Street Parking Commission and City Engineer David Johnston.

Mayor Davis said the date was tentative since he had previously set the date for this afternoon, and was unaware that several of the council committee members would be unable to attend.

New 8-Week Sports Camp For Boys Will Be Offered Here This Summer

An eight-week sports camp for Granite City boys aged eight through 13 will be conducted by the Granite City park district for the first time this summer.

The announcement was made this week by Harold Brown, recreation director, who said the camp, to be held in Wilson Park, will be divided into eight one-week sessions. It will open on June 13 and run through Aug. 5. Enrollment for any one week of the camp is limited to 60 boys.

Three physical education instructors have been employed in the park district to supervise camp activities, which will begin at 9 a.m. each day and conclude at 4 p.m.

By completing an enrollment blank appearing elsewhere in today's issue, boys may make reservations to attend one or more of the weekly sessions, Brown said.

Activities scheduled at the camp include 25 minutes of physical exercise each morning, baseball, basketball and football classes, roller skating, bowling and swimming.

Brown said the camp will operate each day regardless of weather conditions. Indoor programs have been scheduled in case of rain or muddy recreation areas.

Hot Lunch Furnished

The program includes a hot lunch to be served each day at a local restaurant, with bus transportation provided to and from the lunch facilities. Boys attending the camp will remain in the park during the entire day, and each will receive a sports camp T-shirt.

Instructors are Joe Fedora, Granite City high school baseball coach; Conrad "Babe" Champion, teacher at Central school; and Glenn "Skip" Hastings, instructor at the Frohardt school.

Fedora has worked as an instructor at a summer camp in Wisconsin for the last several years.
